Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Farmville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at White & Co.'s Drug Store. Every bottle guaranteed.

Thousands Have Kidney Trouble and Don't Know it.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it.—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney poison in the blood is liable to attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's disease, the worst form of kidney trouble. Kidney trouble can be detected although it is slow and deceptive. First, by analysis of the urine; second, by the complete of setting the urine aside in a glass or bottle for twenty four hours, when a cloudy or brick dust settling indicates it.

It was for just such troubles that in His infinite power and goodness the Great Physician caused Swamp Root to grow for the benefit of suffering mankind, leaving it for His servant, Dr. Kilmer, the great kidney and bladder specialist to discover it and make it known to the world. Its wonderful efficacy in promptly curing the most distressing cases is truly marvelous. You may have a sample bottle of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, by mail free.

In 1888 my wife went East and was attacked with rheumatism. She received no relief until she tried Chamberlain's Pain Balm. Since that time we have never been without it. We find it gives instant relief in cases of burns and scalds and is never failing for all rheumatic and neuralgic pains. —D. C. BRANT, Santa Ynez, Cal. For sale by Cunningham Drug Co.
